ITS4US DEPLOYMENT ACCELERATOR PROGRAM

ELIGIBILITY REQUIREMENTS

WHO CAN APPLY?

Any U.S. based:

- Public agency
- Private company
- Nonprofit organization
- Academic institution

WHO NEEDS TO BE INVOLVED?

Your team must include:

- Mobility services operator/provider
- Healthcare partner (public or private)
- Software integrator

IS THE ITS4US DEPLOYMENT ACCELERATOR PROGRAM RIGHT FOR YOUR COMMUNITY?

Does your community have…

- [ ] limited or no rideshare options for medical transportation?
- [ ] residents who travel significant distances for routine medical care?
- [ ] healthcare providers who struggle with patients missing appointments due to transportation barriers?
- [ ] populations who lack reliable access to non-emergency medical transportation?

Does your organization have…

- [ ] a partner with a demand-response transit service?
- [ ] an identified healthcare partner willing to integrate appointment systems?
- [ ] access to software integration expertise to deploy open-source middleware?
- [ ] availability to commit to an 18-month deployment timeline?
- [ ] a Medicaid transportation broker relationship (if implementing MOD-Medicaid)?
